CAPABILITY NARRATIVE

We are a woman-owned commercial waste and environmental support company providing 30 and 40 yard roll-off dumpster rentals, construction debris management, industrial site cleanouts, solid waste collection, and contractor rental programs throughout East Tennessee. We serve commercial, industrial, municipal, and government customers with responsive service, reliable equipment, safety-focused operations, and flexible project support solutions.

WHY ORES?

- Woman-owned and locally operated
- More than 40 years of combined professional driver experience
- Same-day, next-day, scheduled, monthly, and multi-year service options
- Direct access to decision makers and responsive dispatch
- DOT-compliant fleet and safety-focused operations
- Docket-powered dispatch, documentation, and service tracking

CORE COMPETENCIES

- 30-yard and 40-yard roll-off dumpster rentals
- Commercial construction and renovation waste programs
- Industrial facility cleanouts and plant shutdown support
- Demolition, roofing, concrete, brick, and structural debris hauling
- Contractor rental programs and scheduled swap service
- Monthly, long-term, and multi-year service agreements
- Municipal and government project support
- Solid waste collection and disposal coordination
